13. (Internal Use Only - JSW) Talked with Bill Woodruff, Senate Appropriations Committee staff, about the proposed amendment by Senator Williams to H.R. 7977 to limit hiring of personnel. These amendments would exempt DOD, FBI and the Field Postal Service. Woodruff indicated there was some possibility that this or a similar amendment might be approved. Consequently, Mr. Woodruff will speak to both Senator Mundt and Senator Milton Young with a view of also exempting the Agency.
